

CLIENT AGREEMENT

Grand Capital Ltd., 2025

CLIENT AGREEMENT

(Public offer)

Spelling out general terms under which investment, financial and informational services are provided to clients of Grand Capital Limited

1. General Provisions

1.1. The document at hand, hereinafter referred to as the Agreement, is official public offer of Grand Capital Limited, hereinafter referred to as the Company, and contains all essential terms applicable to provision of investment, financial and information services to clients of the Company.

1.2. The offer is intended for any legal entity or individual (exception is made for persons destitute of nationality, individuals under age of 18, legal entities and entities of any other legal structure established in compliance with the laws of Russian Federation, United States of America, Great Britain, New Zealand, British Columbia and located in Russian Federation, United States of America, Great Britain, Ireland, New Zealand, British Columbia; citizens and tax residents of Great Britain, United States of America, Ireland, New Zealand, British Columbia).

1.3. The Company operates in the territory of Union of the Comoros. In case the present Agreement and all its provisions and regulations are accepted by a legal entity or an individual eligible in accordance with the provisions of the Agreement, such an entity or an individual becomes a client of the Company. From this moment on every operation the Client performs with the use of any preconditioned Client-Company communication means becomes a subject of the Agreement, relevant Regulations and Risk disclosure statement.

1.4. Registration of the Client in the Company's "Private Office" (hereinafter referred to as the PO) at the Company's website and expressing consent to the provisions of the Client Agreement by ticking the appropriate box in the process of registration are deemed unconditional and conclusive acceptance of the present Agreement.

1.5. Regarding any trading and/or non-trading transaction the Client and the Company act as principals, while the Company does not act as an agent on behalf of the Client. This means that unless the Company and the Client mutually decide otherwise, the Client is fully and directly responsible for discharging any obligations involved with transactions made.

1.6. In case the Client acts on behalf of any other person or entity, then regardless of whether this person or entity is identified or not, the Company does not accept him/her as the client and is not liable towards such a person, with exception made for the cases when this is preconditioned and agreed upon on case- by-case basis.

In view of the above, please, read the Agreement's content carefully, and if you do not agree with any of the provisions, the Company suggests you not to use its services.

2. Subject of the Agreement

2.1. The Company executes the Client's trading and non- trading orders provided by functionality of the client terminal, PO and other means of request submission in compliance with provisions

of the present Agreement and relevant Regulations and specifications.

2.2. Thus, the Company provides the Client with the capability of making trades with financial instruments which do not imply physical delivery of an underlying asset at quotes and via services provided by the Company on terms stipulated by relevant Regulations and specifications.

2.3. List of financial instruments that appears to be the subject of transactions is available in the trading terminal and on the Company's website at <https://grandcapital.net>. At the same time, information on the financial instruments and relevant trading conditions provided via the trading terminal is the most accurate and up-to-date and holds higher priority in comparison with the Company's website and/or other sources.

2.4. As for the Client's orders, the Company provides order execution solely under the provisions of the present Agreement.

2.5. Orders given through using the Client's account in the trading platform, the PO and other means provided by the present Agreement and relevant Regulations are considered to derive from the Client directly.

2.6. The Company does not provide trust management services in any form.

2.7. The Company is not obliged to monitor current state of the Client's financial operations and/or the Client's account parameters, and is not supposed to send funds deposit requests to the Client in order for him/her to maintain current open positions.

2.8. The Company has the right to post trading recommendations and forecasts relating to any operations and/or events as well as provide the Client with such using open information sources, limited access sources or ensure to share such information with the Client on a personal basis.

2.9. The Company does not bear responsibility for results of trading operations and decisions the Client made basing on any information provided and/or published by the Company, such as but not limited to the Client's trading account data and financial instruments' prices. This article is also applicable in case the information provided by the Company happen to be invalid or inaccurate.

2.10. The Company reserves the right, but does not assume the commitment to close or cancel a transaction resulting from actions mentioned in the previous clause.

2.11. For the purposes of this agreement, the Company registers trading accounts for the Client.

2.12. The Company ensures security of the current balance amounts stored in the Client's trading accounts.

2.13. The Company keeps record of the Client's funds, completed current trading transactions and non- trading transactions, as well as settlement payments for the transactions the Client made in his/her trading account.

2.14. The Company provides the Client with the PO service with its full functionality.

2.15. The Company processes funds deposit/withdrawal based on requests for non-trading operations submitted via the PO or other services in accordance with relevant Regulations using payment systems and bank details belonging either to the Company or its authorized agents, individuals or legal entities.

2.16. The Company, its partners or any other affiliates may have financial benefit, legal relation or arrangement in regard to a particular Client's operation.

2.17. The Client agrees and authorizes the Company to act towards the Client and in the Client's interests without prior notice in a way the Company considers reasonable, regardless of potential conflict of interest or any existing financial interest concerning any operation made via the PO or the trading platform.

3. The Client has the Right to

3.1. To use any of the services provided by the Company under the provisions of the present Agreement and relevant Regulations, including but not limited to the PO, the client terminal, the Company's website in order to carry out trading and non-trading operations.

3.2. To submit requests for trading and non-trading operations by means provided by the Agreement and relevant Regulations by means stipulated within the framework thereof.

3.3. To open trading accounts within the company and manage such on the basis of own discretion, that is to say, to deposit and withdraw funds, and perform trading and non-trading operations, conduct internal transactions between the accounts in terms of the Company (except for the internal transactions from account in groups such as Real IB, Real Binary Pro and ECN Prime).
